If you arrive by train

Before going up the mechanic steps at the end of the platform, enter the car park through the door on the right.

Pick up the keys

You have to go to the parking reception and show your reservation and ID to collect the keys and the validated ticket to leave the car park.

Check the car

Check that the car is in perfect condition. In the glove compartment you have the **documentation of the vehicle, the insurance data and the rental contract.**

HOW TO RETURN THE CAR

To return the car, you have to park again at the set time in the free space that there is from parking area **91 to 93** in the parking lot:
